## Christmas Angel's

Many thanks to all those who knitted or crocheted Angels carrying a Christmas message. These were distributed in a variety of locations in Delph during the days on the approach to Christmas- some even just before the Midnight service on Christmas Eve.

Together with the Methodist Church almost three hundred Angels were made and there was a great deal of positive feedback from recipients.

For those who would like to continue this activity, plans are in place to start knitting earlier for Christmas 2020.
